EPPS'S COCOA BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flayoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."-See article in the CIVIL SERVICE GAZETTE. Made simply with boiling water or milk. VANITY FAIR.

IT IS WITH PLEASURE WE ANNOUNCE that our Vanity Fair Tobacco and Cigarettes, in their va-rious styles, have been adopted by the French Government. Below we quote from the Rochester Democrat and Chronicle: "It is a matter of pride to Rochester, as well as to the firm directly interested, that yesterday a cable dispatch was re-ceived stating that the French Government had adopted the Tobacco and Cigarettes manufactured by Wm. S. Kimball & Co., of this city. We should explain, perhaps, that all Tobacco sold in France up to this time has been manufactured by the Government. Of late the demand for other makes has arisen, and the Government, to meet it, allowed English and American Manufacturers to enter goods for competitive test with a view to the adoption of the best. The fact that Wm. S. Kimball & Co. have come out far ahead of all other manufacturers in both countries, is unmistakable proof that thei goods are the best the world produces. Their Tobacco an Digarettes will henceforth be on sale in Paris as freely as New York, but no other make, except the French, will be found there. In other words, the French Government, on the report of its experts, declare the goods of Wm. S. Kimbali & HOLLISTER & CO.
